Agricultural Days

Entry forms and rearing information for calves, lambs and kids are available at the school office for those children intending to have a calf, lamb or kid. We are having calves at our day; however there will be no calves at Group Day. Our Calf Club Day is Tuesday 15 October and Group Day is Friday 18 October.

Lambs Thank you to those people who expressed an interest in getting a lamb. We are still trying to source lambs for you.

Congratulations

Congratulations to James Dayaba who has earned his Zoology Science badge.

Building at School

The carpark and behind the swimming pool changing rooms is being dug up to make a concrete pad for the new style (and bigger) dental caravan that comes to our school each year.

We are expecting the caravan to come in the 4th term. I will confirm a date later this term.

I saw the trucks pouring the concrete.
 Lakyn

There was a big thing that the workers used to put the concrete in. The workers smoothed the concrete.

Finn

We watched the crane pouring concrete.
 Shay

Shrek

DVDs of the show can be ordered through the school app or office for \$15. There are a few Shrek programmes still available from the school office for \$10.

Room 1 Stories

Shrek does funny farts because he eats slugs and stuff in his ears.

Willow

I am excited for Shrek because I am a flame girl.

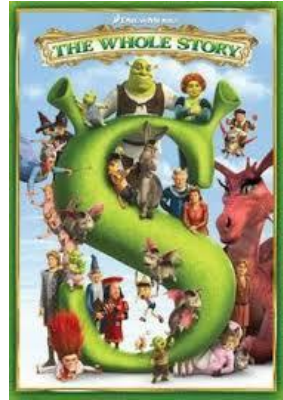

Lily-Jane

Shrek and Fiona had an argument and they farted.

Sophia

Shrek saved Princess Fiona guarded by the dragon.

Hadley

Phones at School

Students do not need phones at school. Please ensure that they leave them at home. We have a great communication system if you need to get in touch with your child.

Daffodil Day

On **Friday 30 August**, the student councillors are raising money for the Cancer Society. Each class has the opportunity to turn white to gold. Stickers for those children who bring a gold coin.

Story by Shay

The Rat

We saw a big rat with a long, long tail. The rat went into the drain hole.
