## Interschool Hockey and Soccer - Friday 18 August

As Otakiri and Awakeri schools gave us up until last Friday as the deadline to get our team entries in, we needed to go with the numbers of children who had permission on Friday when making up teams. Especially as we only had a few parents who were able to offer transport and support with supervision. Therefore, unfortunately, some children from Rooms 3, 4, and 5 will remain at school. I do apologise for this; however we just couldn't make organising to get permission to take all of the children work this time and still meet the deadline to enter teams.

As the issue of limited transport and supervision for trips is becoming more frequent due to our busy parents, we will be rethinking our options of the logistics around trips off school grounds. We will also look at whether the school app is working the way that it is designed to collect permission from parents for children to attend events so that we can meet these deadlines.

The hockey and soccer teams are as follows. Hockey will be played at Whakatane Hockey Turf and soccer at Awakeri.

## Field Planting

Tom Armstrong and our students did an amazing job of planting the bottom of the field. It will be great to watch the effect that this planting will have on the wet area.

## Head Lice

We've heard of a few sightings of these, so just beware and check hair.
