

Thornton School – Board of Trustee Training Policy

Rationale

To provide training opportunities for trustees.

Purpose

- To equip trustees with knowledge to better facilitate their roles within the Board.

Guidelines

1. The Board will, wherever possible, through STA provide induction training to newly elected, appointed or co-opted Board members.
2. The Board will allocate, wherever possible, sufficient funds to enable trustees to participate in training programmes or to purchase resources.
3. Funding provision will be made in setting the annual budget for ongoing trustee training.
4. Use will be made of the STA training officer and the regional and district associations' initiatives.

Conclusion

Board of Trustee training will be planned and developmental.
