Health Questionnaire:

You would have received the school's health questionnaire on the school app. Thank you to those parents who have completed it. This gives us an indication of what you would like from our school around the health curriculum.

School Cross Country

Our school cross country is being held here at school this **Friday 4 June** starting at 12.30pm. The event starts with the 5/6/7 year olds, 8/9 year old, 10/11 year old and then the 12+ year old. There is food available to purchase after the children finish their races. Sausage in bread - \$3 or they can purchase a lunch pack which includes a sausage in bread, lamington, and an ice block for \$5.

Interschool Cross Country

Runners who qualify from our cross country will be going forward to the interschool event next week on **Thursday 10 June**. In line with the EBOP Cross Country format, we are only sending 8 year old up aged students. Your child will get a notice if they are participating. This will ask for transport and supervision for children attending and for offers of help with the fundraising sausage sizzle on the day please.

Our school hosts this event up in the Manawahe hills, so we make it into a fundraiser by running a food stall on the day. Please let us know if you can help and we will roster you on so that you won't miss your child's race.

We would appreciate any donations of mince for the nachos please. Send any donations along to school before Wednesday next week, please. Many thanks for your support.

Paid Union Meetings

On Wednesday 23 June, the teachers will be attending PUMs (paid union meeting) in preparation for their negotiations which start next year.

Three teachers will attend the morning meeting and three will attend the afternoon meeting. Therefore, our children will be shared amongst the classrooms. This way we won't close the school on this day.
