School Cross Country

Here at school on **Monday 29 May** starting at 12pm. Sport BOP have changed the rules again around the eligibility ages of the cross country events, so now children will be racing in their ages (Age is at 27th April) and not their year levels. Therefore our event starts at 12pm with our 5 year old girls, then the boys shortly after.

We will be having a training run tomorrow **(Friday)** at school. Could all children bring running shoes/sneakers/ sandshoes as there are prickles on the school cross country course. Could they also bring clothes suitable to run in as the field is a bit muddy.

Interschool Cross Country

Runners who qualify from our cross country will be going forward to the interschool event at Manawahe on **Thursday 1 June**. We will let the children know and send home permission/transport forms on Tuesday. As the course at Manawahe is much harder than our flat course, we will only be sending our more capable runners.

Important: Our school hosts this event. Please let us know if you are able to help with the fundraising food stall on the day. Qualifying runners go forward to the EBOP Cross Country in Opotiki on **Thursday 8 June.**
