

The word "Newsletter" is written in a large, white, sans-serif font. It is centered and overlaid on a collection of five overlapping speech bubbles. The bubbles are colored yellow, red, pink, green, and blue. The red bubble is the most prominent, partially covering the yellow and pink ones. The green bubble is to the right of the red one, and the blue bubble is further to the right. The pink bubble is on the left, partially covered by the red one. The yellow bubble is at the top left, partially covered by the red one. The entire graphic is set against a white background with a subtle shadow beneath the bubbles.

Art Mural Project

We have received a grant from the Whakatane District Council Creative Communities Scheme for our students to work with local artist, Steve Murphy, to design and paint an ocean themed mural on the swimming pool changing room wall. This will complement the new verandah that is going to be built over the pool deck area.

Some Stories from Room 2 Learners

I came 4th in cross country. I was really happy about it. So I told my mum and dad . They were happy about it to. **Ekamdeep**

I see my mother and father. They were happy. Then, I heard the music everywhere. Then it was my turn. I was nervous. I wondered after production if I will have pizza. **Nirmolak**
